The expenditures are those that Research and Data Analysis could directly relate to services received by individual DSHS clients during the State Fiscal Year 2003. The total 6.2 billion dollars represents approximately 83% of DSHS total operating expenditures for the fiscal year. Not included are payments made for the following: cases where there are no automated client records, instances and programs where a specific client cannot be identified, slot and bed hold payments, payments made to another agency (e.g.: CTED for ECEAP Childcare), payments to some contractors, grants to tribes, administrative personnel and printing.
